25X1  
*continue*  
*yes*  
b. Asbestos Ceiling Tile Removal/Replacement, Key Building  
- Representatives for Real Estate and Construction Division, OL continue to coordinate and monitor the asbestos-containing ceiling tile removal at Key Building. The removal of asbestos-ceiling tile for the second floor has been completed and installation of new ceiling tile on the eighth floor has also been completed. The removal of the remaining asbestos-ceiling, less than 100 square feet, and remaining asbestos-containing pipe insulation on the twelfth floor and penthouse areas is expected to be completed by 6 September 1988.

25X1  
*yes*  
c. 2430 E Street Complex - *URING THIS REPORTING PERIOD* As a result of numerous conversations with General Services Administration (GSA) representatives, it has been agreed that GSA will pay the cost of asbestos removal at East, South, and Central Buildings (2430 E Street Complex). Real Estate and Construction Division, OL, ~~Field Engineering Branch~~ representatives, with the assistance of the Office of Medical Services, have since contacted a contractor who specializes in asbestos removal and anticipates that a survey to determine the cost of removal will be completed by 2 September 1988. ~~Bid opening for building renovations at the site remains on schedule for 7 September 1988.~~
